5. Update for Adopt-A-Street

- There is a sign on the corner of Constitution Boulevard and Long Hill Avenue that was knocked down. It is currently buried in the snow. Mike Clay will take care of putting it back up when the snow melts enough.
- Teresa had an email showing interest in Adopt-a-Street. She directed them to the web site.
- Gil has signs to put up on Pearmain but needs the poles put in.
- Teresa told us that as of February 2, 2015 (weather permitting) locks will be going on the gate on Pearmain again. All City

agencies and landowners that need access to the road will be given the combination and a key. The area needs to be cleaned up. There has been a lot of dumping going on there.

6. Planning for Clean Sweep 2015

- Teresa designed the patch for this year. It looks great. It features the “Split Rock Turkey”. People are showing an interest in getting the patch and will hopefully participate in the program to do so.
- It is not too early to sign up now.
- Bags and gloves need to be purchased.
- Teresa asked the members to log onto the web site and make sure that it looks good and that there are no omissions or anything that may need to be fixed.
- We need to get the signs together. We should have enough but we need to double check.

7. Comments by members

- Mike Clay tried to clean the graffiti off the stop sign on Platt Road. He couldn't get it off and would like to speak with Public Works about the possibility of getting a new stop sign installed in the spring.
- Teresa commented that Huntington Street looks spotless. She doesn't know who is cleaning it but they are doing a great job.
