3. Public Portion

Sharon Romano of 201 Kneen Street, Shelton, Connecticut addressed the Committee. Sharon wanted to find out how she and her friend could adopt a street. They have already been picking up trash and would like to make it official. She also is willing to try to get her employer, Walmart, and her fellow employees to help her clean up in front of Walmart.

4. Approval of the March 2014 minutes.

A motion was made by Ron Pilkowicz to approve the March minutes with the adjournment time to be changed to 7:57PM. The motion was seconded by Ingrid Waters. All were in favor.

5. Update for Adopt-A-Street

The Committee should make a list of roads in Shelton that would be considered too dangerous for citizens to clean up on their own.

The Anti-litter Committee will be looking into the possibility of having the City clean up these roads or maybe hiring this out to a private firm.

If an outside firm is hired then it might be possible for someone to adopt that road by paying for the cleanup rather than actually doing the cleanup.

After the Committee gets more information about this they would like to consider inviting John Anglace to the meeting to discuss this with him.

It was noted that if the City does end up hiring an outside company to clean up the roads that that company would need to be responsible for pick-up of trash, removal of same, and they are also responsible for bringing it to a transfer station.

6. Planning for Clean Sweep 2014

There are 37 signs out for Clean Sweep.

The Committee needed more advertising out earlier, especially for the scout troops.
