**5. Adopt-A-Street Update/ Review/ Suggestions**

- Some signs need to be posted.
- The program is going along well. The participants are doing a great job.
- We need to notify the companies about counting the number of bags collected. Also, maybe pictures of the trash collected would be helpful.
- There was discussion about getting an extra garbage can for the people that are picking up trash on Shelton's roads. This would only be for people requesting another trash can. The Anti-litter Committee will look into this.
- New solar trash compacting cans may be coming to downtown.
- There was discussion about how dirty the commuter lot off exit 13 of route 8 is. The Committee cannot have this spot adopted because it is State property.
