## **7. Comments by members**

- Medical waste was found on Bridgeport Avenue.
- Garbage frequently falls off the trucks transporting it and lands on City streets. Bags split open and they make a mess.
- One of the board members has called the State about this many times.
- The amount of litter is discouraging.
- It would be nice if people would just pick up in front of their house.
- The Committee could send a letter to the new Chief (of police) once he settles in and ask that they investigate these garbage haulers. We need to revisit this in January.
- We're not having much problem with the phone books.
- We need to give more recognition to our adopters.

## **8. Adjournment – Next Meeting January 27, 2016**

Teresa Gallagher made a motion to adjourn at 8:55PM. Ron Pilkowicz seconded the motion. All were in favor.
