   - Karen is trying to get Sikorsky to get a group together.
• The new street signs are in. We are waiting on poles for them.
• Ingrid’s sign was hit by a truck.
• Teresa commented that we are at a point now where we can target certain areas.
• Teresa also added that it didn’t seem like we are getting the response from the scouts like we usually do.
• We need to get counts of how much garbage people are picking up.
• Teresa commented that Ridgefield touches base with their people once per year to see what they need.
• We would be better if we called them.
• Teresa spoke to the people in Ridgefield. The town is spotless. The people in Ridgefield told her that it’s the local residents that pick up the garbage because they won’t tolerate it. It’s a mindset. People have to care.
