**Win Oppel moved to recess at 9:45 p.m.; seconded by Paula Ellis; vote 8-0; motion passed.**

(The meeting reconvened at 10:02 p.m.)

**Presentations**

Booth Hill Principal Kathy Sheehy presented information to the Board concerning CAPT/CMT data, School Improvement/Accountability Plan and progress to date.

Assistant Superintendent Lorraine Rossner discussed modifications to the calendar for the remainder of the 2009-2010 school year. Ms. Rossner explained that during mitigation the teachers’ union offered 1½ deferred furlough days; and, in order to accommodate those days back into the calendar, it has been decided that May 28 will be a half day for students and faculty, and June 21 will be the full day owed to teachers for the compensating time off for parent/teacher conferences. Half days will occur on June 16, 17 and 18. The last day of school for students will be June 18 (the 180th day). Graduation will take place on June 18, rain or shine.

**Kate Kutash moved to approve the calendar for the remainder of the 2009-2010 school year as recommended and discussed; seconded by Paula Ellis.**

**Discussion – It was clarified that June 21 will be a non-attendance day. Vote 8-0; motion passed.**
Freeman Burr presented and discussed results of the four-question parent/staff survey regarding the school calendar. Topics were preference for a two-year calendar; start of school before or after Labor Day; shortened February recess; school attendance on Veterans’ Day. The survey was inconclusive on some points. Lorraine Rossner reviewed the 2010-2011 calendar in detail, noting that school will start before Labor Day due to the lateness of the holiday this year. Veterans’ Day will be a school attendance day for staff and students with a requirement that each school will have an observance. Mr. Burr explained that Veterans’ Day is a contractual paid holiday for 12 month employees, and negotiations will take place with the bargaining units affected. February recess will include the additional day for Presidents’ Day.

(Note: Tape 2; Side B – 10:45 p.m.)

Arlene Liscinsky moved to approve the 2010-2011 school calendar; seconded by Kate Kutash and Kathy Yolish. Discussion – Relative to the February recess, Freeman Burr noted the impact in January and February with delayed openings and snow days. The four-year trend data on average shows a minimum of two delays and the loss of two instructional days. In response to Win Oppel’s question, Lorraine Rossner responded that last year’s makeup day in April for the high school due to the fire was the first day used as a makeup day during April break in 15 years. Vote 6-2 (Nay – Win Oppel, Paula Ellis); motion passed.

Appointments
Paula Ellis moved to appoint Vincent Convertito to the position of head girls’ lacrosse coach at Shelton High School, due to a resignation; seconded by Jay Francino-Quinn; vote 8-0; motion passed.

Win Oppel moved to appoint Stephen Kennedy to the position of head boys’ lacrosse coach at Shelton High School, due to a resignation; seconded by Thomas Minotti; vote 8-0; motion passed.

Resignations
Freeman Burr advised the Board of the following resignations:

- Theresa Binck, paraprofessional aide at Long Hill School, after more than four years of service, effective March 5, 2010
- Scott Smith, head boys’ lacrosse coach at Shelton High School, effective immediately
- Barry Smith, assistant boys’ volleyball coach at Shelton High School, effective March 15, 2010
Leaves of Absence
Win Oppel moved to approve a two-month unpaid leave of absence through April 30, 2010 for Melissa Lantz; seconded by Kathy Yolish; vote 8-0; motion passed.

Chairman Walsh noted he will refer the issue of leaves of absence to the Personnel Committee so the Superintendent can act independently on decisions without involving the Board, the same as with resignations.

Instructional Update
Freeman Burr announced that Desiree Conway, a media specialist at Mohegan School, was selected for The Weller Excellence in Teaching Award for her project entitled “Let it Snow.” Desiree will be honored at the Annual Weller Awards Banquet at Fairfield University in May and will receive a Certificate of Honor and an honorarium of $500.

School Facilities Report
Bill Banfe’s written report was included in board packets.

Items Voted On
Win Oppel moved to adopt a three-tiered Voluntary Early Retirement Incentive Plan as outlined in the Memorandum of Agreement crafted between the Shelton Education Association and the Board and Superintendent; seconded by Kate Kutash; vote 8-0; motion passed.

Arlene Liscinsky moved that the contracts of employment for the individuals listed under Groups A & B on the attached not be renewed for the following year upon their expiration at the end of the current 2009-2010 school year, and that the Superintendent of Schools be directed to advise such person(s) in writing of this action; seconded by Win Oppel; vote 7-1 (Nay – Jay Francino-Quinn).

Comments by the Board Chair
Timothy Walsh addressed comments made by Apportionment and Taxation Chairman Mark Holden at the Board’s budget hearing. Mr. Holden had remarked that there were a number of buses that were not at full capacity and suggested a plan to have buses available at need. Chairman Walsh noted the law dictates that there must be a seat on a bus for each student, and the cost to dispatch transportation at need would be at least $45,000 per bus plus additional clerical help. Allan Cameron confirmed that such a service would be expensive and would be extremely difficult to manage. Mr. Walsh responded to a statement made by Mayor Lauretti about “mismanagement” of our budget. Chairman Walsh discussed a City ordered audit three years ago which revealed nothing. He noted that the books are audited every year by a City auditor.
Reports by Standing Committees

Athletics – Paula Ellis reported there will be postings for three assistant coaches. She said spring sports participation is the highest ever. SHS wrestler Pat Gillen won the Connecticut State Championship, Connecticut State Open Championship and the New England Championship and will competing in the National Championship in Virginia Beach.

Building and Grounds – Win Oppel noted that the minutes were emailed.

Cafeteria/Transportation – Kate Kutash reported the high school breakfast program is doing well and the SIS program is struggling but will continue.

Curriculum/Policies/Technology – Thomas Minotti stated the minutes are on the website. He said a public complaint policy form was proposed and is being finalized for approval by the Board. At the last meeting, Ken Saranich and Dana Urban presented an inter-district electronic calendar. Further discussion is planned for high school proposed graduation and promotion requirements.

Personnel Committee – Rita McDougald-Campbell reported that two grievances were resolved and letters are being sent.

Finance – Arlene Liscinsky stated the report was filed and given to Board Members.

Reports of Special Committees

CES – Report was included in packet.

CABE – Timothy Walsh said he and Arlene Liscinsky attended the regional CABE breakfast in Stratford. He noted Shelton’s request to change from area 7 to area 6, which is a closer geographical range. Arlene Liscinsky said discussion took place at the breakfast concerning the mandated release of special education burden of proof on districts and mandated seatbelts on school buses, which came out of committee. The financial burden on the latter is over $1.4 million to retrofit 53 buses, which obviously is not in the budget.

Freeman Burr thanked the Board Members for their service in honor of National School Board Member Recognition month. He stated that Board Members are elected and volunteer their time.
Adjournment
Paula Ellis made a motion to adjourn the meeting at 11:10 p.m.; seconded by Jay Francino-Quinn; vote 8-0; motion passed.
