Mrs. Willink proposed expanding our before/after school program in response to parent requests and findings of the School Readiness Council. The greatest need is at Elizabeth Shelton School and Booth Hill School. The current YMCA program held at Sunnyside School operates independently with no cost or responsibility on our part, and the YMCA has expressed interest in expanding their program. The Boys and Girls Club had submitted a proposal when the Board looked at this a couple years ago. Chairman Oppel clarified that the Board would provide the facility and would encourage applications. Mrs. Willink will send additional information to Board Members for their consideration. Board Members were asked to submit their ideas for discussion at a future meeting.
