Mr. Burr noted belated congratulations were received from Commissioner Stefan Pryor on the #1 ranking Connecticut Statewide Career and Technical Education Assessment for our Cooperative Work Education Program. Superintendent Burr said Tina Henckel received a $5,000 grant from the Pitney Bowes Foundation to support the Shelton 1080 Student Racing Challenge that began last year at the intermediate school. Unfinished Business
Chairman Oppel provided a handout and discussed proposed changes to Bylaw #9132(a), Standing Committees. He explained that a Lighthouse recommendation was to reduce the number of committees to three standing – Finance; Policy; Teaching and Learning. The board can still appoint ad hoc, special or other committees. Brief discussion ensued, and James Orazietti requested to add “excluding the Chairman” to #1 (appointed members). Mr. Oppel had asked our attorneys to review the bylaw, which resulted in a recommendation to add a disclaimer to all minutes stating a quorum of the board may be present. The proposed bylaw will sit until the November board meeting, at which time a vote will be taken.

New Business
Superintendent Burr gave an update on Lorraine Rossner’s recovery, following today’s surgical procedure.
