The 2018 Volunteer of the Year awards were handed out and a press release/blog post published with the winners. The Herald carried an article based on the press release.
6. **Comments by members:**
 - Teresa Gallagher noted that the Committee didn't hold a Fall cleanup as was done in 2017. It had been hoped that this would be an annual event. Sheri Dutkanicz said that in the future a September date should be set at the June meeting because the Committee doesn't meet in July and August.
 - Ron Pilkowicz said that Beard-Sawmill was full of litter from the contractors working on the new construction there, especially under the Route 8 bridge on the banks of the Far Mill River where everyone was parking. A complaint was made at the construction trailer, and the situation did improve after that.

- Kevin Lantowsky (member of the public) asked commission members about the various programs and efforts. He said he would try to organize some clean-up efforts and come to the next meeting.

The meeting adjourned at 7:46 pm.

Minutes were prepared by Teresa Gallagher and should be considered draft minutes until approved by the Anti-Litter Committee.
