THIS IS A UNIT PRICE BID PROJECT. The unit price for each of the several items in the bid of each bidder shall include its pro rata share of overhead so that the sum of the products obtained by multiplying the quantity shown for each item by the unit price bid represents the total bid. Any bid not conforming to this requirement may be rejected as informal. The special attention of all Bidders is called to this provision, for should conditions make it necessary to revise the quantities, increases or decreases thereof may be made without limit and adjustment and compensation shall be made on the basis of the unit prices for such items.
