**2. Public Portion.** A number of plot holders were in attendance for the guest speaker. None wished to address the Committee. Chairman Sharna Kozak noted there are about 40 people on the waiting lists. She thanked the gardeners for their annual Garden Service hours and noted that because of those efforts, Shelton's two community gardens remain attractive throughout the seasons. Many community gardens can become eyesores.

Sharna Kozak made a motion to close the meeting and ask guest speaker Renee Marsh to begin her presentation about garden pests. Theresa Syc seconded the motion. All were in favor. The meeting was adjourned at 7:20 pm.
