- PLEDGE OF ALLEGIANCE
- GENERAL DISCUSSION

The Charter Commission discussed the drafting of the City Charter. Additional information is needed to clarify differences between Boards and Commissions so that the final draft of the City Charter is consistent throughout.

The Commission will continue to meet virtually every Monday evening at 7:00 via ZOOM. A final Public Hearing is needed to be held for final input by the public before the draft gets submitted to the Board of Aldermen for their input and/or approval. A decision is yet to be made on how the Public Hearing will be held to ensure the public's voice be heard.

Commissioner Ritter motioned to adjourn. Commissioner Dunford second the motion.

A voice vote was taken; motion passed unanimously.

Chairman Debicella adjourned the workshop at 8:31 pm.

Respectfully submitted,

Sophia V Belade
