

Help Fill A Truck for Texas!

**St Vincent de Paul Helping Hands of the Valley Thrift Shop and Food Bank
and the Shelton Volunteer Fire Department
Are Conducting a Food and New Clothing Donation Drive
to Directly Help Our Neighbors in Houston, Texas**

We have asked what we can do here in Shelton CT to directly help the unfortunate people in Texas suffering the effects of Hurricane Harvey. The response we received has led us to secure an 18 wheeler truck and are asking the good people of Shelton to help us fill it before it is driven directly to contacts in Houston Texas on Saturday, September 9th. Let's all show our friends in the great state of Texas that we care!

Here is a list of what has been requested:

FOOD: Non-perishable food in case lots - including canned baked beans, canned ready-to-eat soup or stews, canned tuna and other meat in cans, canned fruit, canned pasta sauce, peanut butter, jelly, mac-n-cheese, pasta, and cereal. Also: bottled water, cat and dog food. ***Please no perishables or glass.**

NEW ITEMS: Specifically: socks, underwear, bedding, towels, and diapers of all types, including adult.

*Please note, we cannot send used or worn items.

The above items will be collected at all Shelton Fire Stations and the St Joseph Elementary School Gym.

Please take note of the locations and times (no collection Monday due to the holiday):
