

Questionnaire
Shelton Planning and Zoning Department
Huntington Center Special Area Study
May 30, 2018
Shelton Community Center
 Tally dated September, 2018

The following improvements are being considered for Huntington Center. Please indicate with an X if each is favorable or unfavorable.

No.	Item	Favorable	Unfavorable
1.	Extension of public sidewalks on Huntington Street and Old Shelton Road in areas where sidewalks can be accommodated.	103	30
2.	Painting of pedestrian walkways within the Huntington Shopping Center, Huntington Village and Huntington Plaza to facilitate the overall pedestrian walking system in Huntington Center.	115	16
3.	Installation of additional trees and shrubs in appropriate locations for the Huntington Shopping Center, Huntington Village and Huntington Plaza.	114	18
4.	Construction of garbage dumpster enclosures for the existing tenants of the Huntington Shopping Center, Huntington Village and Huntington Plaza.	112	15
5.	Multi-family housing development (rental or condominium) in the commercially zoned area of Huntington Center.	9	123

Note: A total of 134 questionnaires were received, evaluated and tallied as part of this study. The questionnaires were received at the meeting and online and collected at the Planning and Zoning Department. Many of the questionnaires were partially completed resulting in the tallies noted above not equaling 134.
