RE: Application: #20-07

Dear Alex,

After a review of the site plan for the proposed retail/office and service station to be located at #1055 Bridgeport Avenue, the following shall apply:

1. A fire hydrant shall be installed on the property just in from the Huntington Street entrance.
2. A complete set of building plans including but not limited to; fire sprinkler, fire alarm or any other fire protection features shall be submitted to the Fire Marshal for review for compliance to the Connecticut Fire Safety Code and applicable regulations.
3. All driveways are considered fire lanes and shall be marked in accordance with the Fire Marshal’s recommendations.

With adherence to the aforementioned the site plans for this project are hereby approved.

James M Tortora
Fire Marshal
