Dear Shelton Senior Center Friends,

We have opened, Hooray! So very happy to see our friends again! Your safety and well being is always our upmost concern and priority. We have been working together in coming up with a course of action to proceed with the “new normal” here at the Center for when the time comes and we can open our doors FULLY again to you.

We are continuing moving along with our soft opening and everything is going very well. We have added lunch service by reservation only. Lunch is served at 11:45am. Our doors will only be open to seniors with reservations for lunch and activities & must be made in advance by calling 203-924-9324. 

*No walk-ins.* Masks required or no entry.

We will have to work around the unknown and continue to take it day by day. With that said, please call our daily information line everyday with the schedule updates from here on out (203) 924-2355. Due to the nature of this situation and what we are capable of planning around the pandemic this is our only way we can navigate.

Flu shots will be available first come fist serve as a DRIVE THRU service outside from 10:00AM-12:00PM on Friday, October 23rd. Please drive by and receive your flu vaccination with the Naugatuck Valley Health Department who will be here curbside to administer to each of you. Masks must be worn.

Please stay safe and keep healthy. Warm Regards, Doreen
