**BRIDGEPORT AVENUE PIPE LINING STARTING SUNDAY EVENING NOVEMBER 14<sup>th</sup>,  
2021**

The City of Shelton's pipe lining contractor will begin work on Old Bridgeport Avenue (weather permitting) this Sunday, Monday and Tuesday evenings the 14<sup>th</sup>, 15<sup>th</sup> and 16<sup>th</sup> of November. Work will commence at 7:00 PM and go until 6:00 AM the following morning. Wednesday night on the 17<sup>th</sup>, Thursday night on the 18<sup>th</sup> and for the remainder of the project we will be working on Bridgeport Avenue. The pipe lining process will run four to five weeks in duration weather permitting. When the construction occurs in the section of pipe out front of your home or business, you will be asked to refrain from flushing water or dispensing water through the waste pipe of your establishment for a period of a few hours. This will help the contractor install the pipe liner more efficiently.

The City of Shelton appreciates your cooperation, patience, and understanding through this procedure.
