**Subject:** Fire Inspector Vehicle

The Fire Inspector/Housing Code Official's vehicle needs repair mainly the automatic transmission needs to be replaced. This vehicle is used by the Fire Inspector/ Housing Code Official for fire and building code inspections and related business. The vehicle is a 2006 Ford Explorer and the mileage is 127463. Total cost of the repair will be \$3500.00 which is not in the Fire Marshal's funds so I am asking for this amount from contingency account or waiver of bid. THANKS!!!
