

NAUGATUCK VALLEY
COUNCIL of GOVERNMENTS

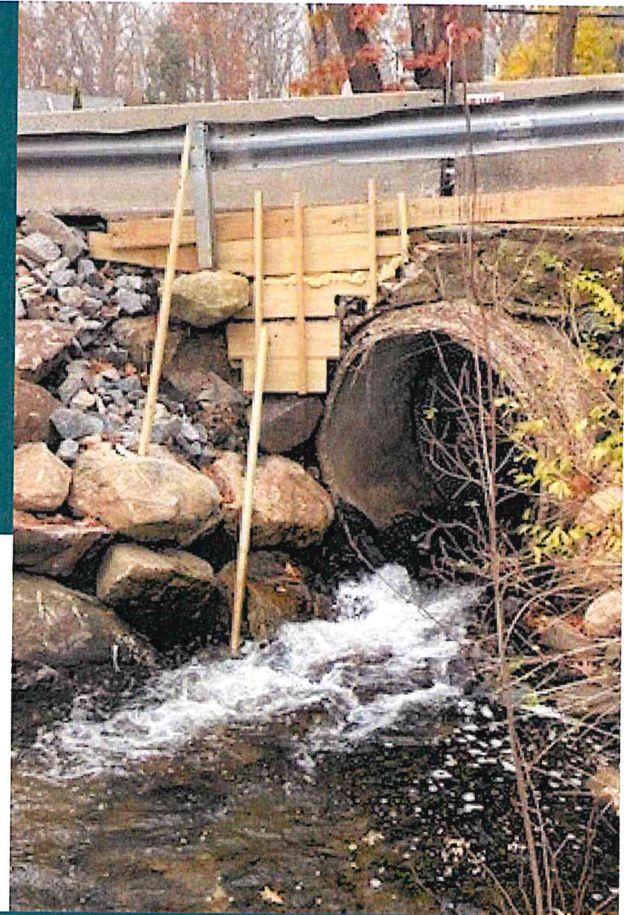

*This project is funded by the
CT DEEP Climate Resilience Fund.*

You're Invited

Regional Flood Resilience Project Community Meeting

About: Undersized, aging culverts & drainage systems can cause flooding and harm wildlife. Having incorporated feedback from first round of public meetings, NVCOG will now present the preliminary designs for each site.

Join Us In-Person or Online:

- Tuesday, September 9, 2025
- 6:00 PM to 7:00 PM
- City Hall Auditorium, 54 Hill Street, Shelton
- Zoom link: <https://bit.ly/Ansonia-Shelton-CRF>

Project Areas and Discussion Sequence:

- 6:00 PM – Prindle Avenue, Ansonia
- 6:30 PM – Oak Avenue, Shelton
