Not later than May 31, the Board of Aldermen shall adopt a budget and tax rate in mills for the City and file it with the Director of Finance. Adoption of the final budget, and tax rate in mills of the Board of Aldermen for the City shall be made based upon the proposed budget on which the Board of Aldermen is acting as follows:

Section 7.7 Procedure Upon Failure of the Board of Apportionment and Taxation and the Board of Aldermen to Adopt a Budget.

If neither the Board of Apportionment and Taxation, nor the Board of Aldermen, adopt a budget, the budget and tax rate proposed under the provisions of Section 7.2. shall be the budget and tax rate of the City.

Section 7.8 Mayor's Veto Power

(a) If the Board of Aldermen shall fail to adopt a budget pursuant to section 7.6., then the budget and tax rate in mills adopted by the Board of Apportionment and Taxation pursuant to Section 7.3. shall be submitted to the Mayor by the Finance Director not later than the second business day following May 31. The Mayor shall have the power to veto said budget only in whole and not by line item and, if he/she exercises his/her veto power, the budget adopted pursuant to Section 7.2. and the tax rate associated therewith shall be the budget and tax rate for the City, unless within seven (7) days of the Mayor's veto, the Board of Aldermen shall, by at least a three quarter affirmative vote of the full membership of the Board of Aldermen, override the Mayor's veto. If the Mayor does not exercise his/her veto powers, the budget and tax rate associated therewith adopted by the Board of Apportionment and Taxation pursuant to Section 7.3. shall become the budget and tax rate for the City.

If the veto power is exercised by the Mayor, and the veto is not overridden within seven (7) days after the exercise of the veto by a vote of at least a three quarters vote of the full membership of the Board of Aldermen, the Finance Director shall, on the next business day following any vote taken by the Board of Aldermen to override said veto, or on the next business day following the expiration of the aforesaid seven-day period, submit to the Mayor the budget adopted pursuant to Section 7.3. by the Board of Apportionment and Taxation. Notice of such hearing shall be given ~~in a newspaper having a substantial circulation in the City~~ on the City website not more than ten (10) nor less than five (5) days prior to such hearing, provided that if in the unanimous opinion of the Board of Aldermen any emergency under Section (d) above is so grave as to require immediate action, the public hearing may be dispensed with by such unanimous vote.

(f) Any appropriation made under the provisions of Sections (c) and (d) above shall be financed by such borrowing as may be necessary to fund the same, provided that the amount of such borrowing shall be included in and made part of the next tax levy. Appropriations for permanent improvements shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned; provided any such project shall be deemed to have been abandoned if three (3) years shall elapse without any expenditure from or encumbrance of the appropriation for the project. The Board of Apportionment and Taxation and Director of Finance shall review such appropriation to verify its termination.

(f) Any payment made in violation of the provisions of this Charter shall be illegal and every official authorizing or making such payment, and every person knowingly receiving such payment or any part thereof shall be jointly and severally liable to the City for the full amount so paid or received.

The Purchasing Agent shall, to the extent requested by the Chairman of the Board of Education, serve as the purchasing agent for the Board of Education. The Purchasing Agent shall hold no other elected or appointed office within the City and shall have no other employment with the City.

A list of all bids received shall be prepared and recorded in the City/Town Clerk's Office and a copy of all bids shall be available for public inspection in the Office of the Purchasing Agent. The Purchasing Agent shall determine the lowest responsible bidder; however, he/she may reject any, all or any part of any bids. The Board of Aldermen may establish such other regulations for purchases and bidding as it deems appropriate.

2. When any purchase involves expenditure in excess of Five Thousand Dollars (\$5,000.00) and does not exceed Twenty-Four Thousand Nine Hundred and Ninety-Nine Dollars and Ninety-Nine Cents. (\$24,999.99), the Purchasing Agent, or in the case of the Board of Education, an agent designated by the Board of Education, shall obtain a minimum of three (3) written proposals for the purchase of the item and shall make such purchase from the lowest responsible vendor, unless the Purchasing Agent, or in the case of the Board of Education, an agent designated by the Board of Education determines that the purchase is due to an emergency or is available only from a single source vendor and in that event, the Purchasing Agent or in the case of the Board of Education, an agent designated by the Board of Education shall create and maintain a written record of the reasons for such choice.
 3. When any purchase involves expenditures of Four Thousand Nine Hundred and Ninety-Nine Dollars and Ninety-Nine Cents or less (\$4,999.99) the Purchasing Agent or in the case of the Board of Education, an agent designated by the Board of Education, may make such purchases direct as prescribed by the procedures enacted by the Purchasing Agent.
 4. "Purchase" as used herein shall be defined to include the purchase in any fiscal year of any goods, services or combination of goods and services from a single vendor, including but not limited to public improvements and professional services. Aggregate purchases shall not be divided into small increments so as to avoid the provisions called for herein.

 2. The Board of Education shall be permitted to establish a list of professional services in areas of instruction, student assessment, counseling or related specialized services. The Board of Education shall determine by resolution at least annually and may amend from time to time as required those services which are considered as professional and as to which selection by bidding to determine the lowest responsible provider is not required.

- (d) Waiver of Bids: Whenever the Purchasing Agent shall determine that bidding for any particular goods or services would be impractical, impossible or unwise; the Purchasing Agent shall recommend to the Board of Aldermen that bids be waived. Each such recommendation shall be in writing and shall state its reason. If the Board approves such recommendation by an affirmative vote of at least six (6) of the eight (8) members, bids shall be waived and the goods or services shall be purchased in such manner as the Board of Aldermen directs.
- (e) The Director of Finance shall ensure that the amount of each authorized purchase and each contract for a future purchase is recorded as an encumbrance against the appropriation from which it is paid or to be paid.
- (f) Each charge and prospective charge against the City shall state the department, and the appropriation against which it is to be charged. The Director of Finance or designee shall audit and approve as correct and valid each charge against the City and shall authorize payment of all approved charges in writing. Any such bonds issued by the Board of Aldermen without the approval of the electorate and any notes issued pursuant to such authorization shall be repaid on a straight-line method within five (5) fiscal years, commencing with the fiscal year immediately following the fiscal year in which the authorization occurred.

The total aggregate amount of bonds that may be issued for any purpose in a single fiscal year without the approval of the electorate shall not exceed two and one-half percent (2.5%) of the authorized municipal budget for the fiscal year in which the bonds are being authorized.
